CIRCULAR TO ROCKCASTLE SHAREHOLDERS

1. INTRODUCTION

On 10 February 2015 it was announced that, pursuant to a decision on 10 February 2015, the board had approved, an interim distribution of 4.28 US\$ cents per share in respect of the six months ended 31 December 2014 and that the board intends offering to shareholders the election to receive a scrip dividend by way of an issue of new Rockcastle shares (of the same class as existing shares) credited as fully paid up or a cash dividend. Accordingly, a cash dividend will be paid to shareholders unless shareholders elect to receive a scrip dividend by way of an issue of new Rockcastle shares credited as fully paid up. Shareholders of Rockcastle on the record date who elect to receive the scrip dividend instead of the cash dividend, must ensure that their election forms are received by the SA transfer secretaries/company secretary in accordance with the salient dates and times mentioned in this circular.

2. CASH DIVIDEND

2.1 Shareholders on the SA share register

2.1.1 South African resident and non-resident shareholders who hold Rockcastle shares on the Mauritian share register and who elect to receive the cash dividend will receive the cash dividend in US\$. South African resident shareholders who hold shares on the SA share register will receive the cash dividend in Rand. Non-resident shareholders who hold shares on the SA share register have the option to receive the cash dividend in Rand for the credit of their non-resident Rand account or, the option to receive the said dividend in foreign currency, on the basis that the foreign currency is transferred to South Africa and converted to Rand at the prevailing spot rate on the date of settlement, whereafter the Rand amount will then be transferred to the non-resident's non-resident Rand account. Thereafter the non-resident may utilise the Rands in South Africa or transfer the funds to a nominated bank account abroad in the foreign currency of their choice.

2.1.2 Shareholders not electing to receive the scrip dividend will, without any action on their part, be deemed to have elected to receive the cash dividend.

2.1.3 The cash dividend will be paid out of the company's distributable profits.

2.2 Shareholders on the Mauritian share register

2.2.1 Shareholders not electing to receive the scrip dividend will, without any action on their part, be deemed to have elected to receive the cash dividend.

2.2.2 The cash dividend will be paid out of the company's distributable profits.

2.3 Other information

2.3.1 *Value of dividends*

If no shareholders were to elect to receive the scrip dividend, the value of the dividends will amount to US\$32 943 160.00.

2.3.2 *Maximum number of Rockcastle shares and share capital in case all shareholders elect to receive the scrip dividend*

Should all shareholders elect to receive the scrip dividend, the maximum total number of new Rockcastle shares to be issued by Rockcastle will be 15 009 150 based on the scrip dividend ratio.

3. SCRIP DIVIDEND

3.1 Terms of the scrip dividend

- 3.1.1 The scrip dividend will take place in accordance with paragraph 16 and paragraph 18 of the company's constitution and section 64 of the Mauritian Companies Act, 2001.
- 3.1.2 Should a shareholder validly elect to receive the scrip dividend *in lieu* of dividends, such shareholder will (subject to 3.1.4 below) become entitled to a number of new Rockcastle shares which will be determined by such shareholder's shareholding in Rockcastle as at the record date in terms of the scrip dividend ratio.
- 3.1.3 The election may be made by shareholders in respect of all or part of their shareholdings held at the close of business on the record date only. Nominee shareholders are permitted to make elections on part of their shareholding.
- 3.1.4 Rockcastle reserves the right to reduce the number of new Rockcastle shares issued to an electing shareholder in respect of the scrip dividend if the issue of such shareholder's full allocation of new Rockcastle shares would result in that shareholder (individually or together with any shareholders deemed to be acting in concert with such shareholder) having an interest in Rockcastle shares that would ordinarily require the shareholder (or group of shareholders) to make a mandatory cash offer. In such circumstances, the shareholder will receive the balance of their entitlement as a cash dividend on the basis of 4.28 US\$ cents per share.

3.2 Fractions

The allocation of new Rockcastle shares will be such that shareholders who elect to receive the scrip dividend will not be allocated a fraction of a new Rockcastle share and as such any entitlement to receive a fraction of a new Rockcastle share which:

- 3.2.1 is less than one half of a new Rockcastle share, will be rounded down to the nearest whole number; and
- 3.2.2 is equal to or greater than one half of a new Rockcastle share but less than a whole new Rockcastle share, will be rounded up to the nearest whole number.

4. RATIONALE FOR THE SCRIP DIVIDEND

The rationale for the scrip dividend is to afford shareholders the opportunity to increase their shareholding in Rockcastle and to retain flexibility with regard to the company's cash resources.

5. STATED CAPITAL

The share capital of the company as at the last practical date is as follows:

	US\$
Share capital	
<i>Authorised</i>	
880 001 000 ordinary shares of no par value each	–
<i>Issued share capital</i>	
769 700 000 ordinary shares at an average of approximately US\$1.28 per share	985 104 000
Total	985 104 000

Should all eligible Rockcastle shareholders elect to receive the scrip dividend, the share capital of Rockcastle after the issue of the new Rockcastle shares will be as follows:

	US\$
Share capital	
<i>Authorised</i>	
880 001 000 ordinary shares of no par value each	–
<i>Issued share capital</i>	
784 709 150 ordinary shares at an average of approximately US\$1.30 per share	1 018 124 130
Total	1 018 124 130

6. TAX IMPLICATIONS

6.1 SA resident shareholders

The receipt of the cash dividend or electing to receive the scrip dividend may have tax implications for shareholders.

For those South African resident shareholders receiving the cash dividend, such amount will be regarded as a foreign dividend and may be subject to South African dividends withholding tax at a rate of 15%, unless an exemption as set out in the South African tax legislation applies.

The receipt of new Rockcastle shares by South African resident shareholders should not be classified as a dividend or a foreign dividend for South African tax purposes and accordingly, South African dividends withholding tax should not be levied on the new Rockcastle shares. However, the legislation in this regard is complex and its implementation is uncertain. Accordingly, shareholders should seek independent professional tax advice.

Rockcastle shareholders are advised to consult their professional advisors regarding the tax consequences of the cash dividend and the scrip dividend or should they be in any doubt as to the appropriate action to take.

In terms of the JSE Listings Requirements regarding dividends withholding tax in South Africa, the following additional information is disclosed:

- As the company is not a South African registered company, it does not have any STC credits available to set-off against the dividends withholding tax liability on the cash dividend.
- There is no withholding tax payable in Mauritius.

6.2 Shareholders residing outside of South Africa

The receipt of the cash dividend or electing to receive the scrip dividend may have tax implications for shareholders who are resident in Mauritius or other countries and such shareholders are advised to obtain appropriate advice from their professional advisors in this regard.

7. LISTING OF NEW ROCKCASTLE SHARES

Application will be made to the JSE and the SEM to list the new Rockcastle shares issued in terms of the scrip dividend, with effect from the commencement of trade on Monday, 23 March 2015.

8. SOUTH AFRICAN LAW AND MAURITIAN LAW

All transactions arising from the provisions of this circular and the election form shall be governed by and be subject to the laws of South Africa and Mauritius and in the event of any conflict, such conflict will be resolved in accordance with recognised and established principles of conflict of laws.

9. EXCHANGE CONTROL REGULATIONS (FOR SHAREHOLDERS ON THE SA SHARE REGISTER)

The following is intended only as a guide and is therefore not a comprehensive statement of the Exchange Control Regulations applicable to shareholders on the SA share register.

Rockcastle shareholders who are in any doubt as to the appropriate course of action to take should consult their professional advisors.

Any new Rockcastle shares issued in terms of the scrip dividend are not freely transferable from South Africa and must be dealt within the terms of the Exchange Control Regulations.

Shareholders who hold shares on the SA share register can only receive shares on that register.

South African resident and non-resident shareholders who hold Rockcastle shares on the SEM and who elect to receive the cash dividend have the option to receive the cash dividend in US\$. South African resident shareholders who hold shares on the SA share register will receive the cash dividend in Rands. Non-resident shareholders who hold shares on the SA share register have the option to receive the cash dividend in Rand for the credit of their non-resident Rand account or, the option to receive the said dividend in foreign currency, on the basis that the foreign currency is transferred to South Africa and converted to Rands at the prevailing spot rate on date of settlement, whereafter the Rand amount will then be transferred to the non-resident's, non-resident Rand account. Thereafter the non-resident may utilise the Rands in South Africa or transfer the funds to a nominated bank account abroad in the foreign currency of their choice.

9.1 Shareholders who elect to receive:

9.1.1 *The cash dividend*

Non-residents and emigrants

As the cash dividend will be paid out of the company's distributable profits, such dividends are freely transferable from South Africa.

The election of the cash dividend by emigrants must be made through an authorised dealer in foreign exchange controlling the shareholder's emigrant blocked assets.

9.1.2 *New Rockcastle shares*

9.1.2.1 **In the case of certificated shareholders:**

9.1.2.1.1 *Non-residents*

Share certificates will be issued with a "non-resident" endorsement and will be sent to the registered address of the shareholder concerned or in accordance with the instructions given to the SA transfer secretaries.

9.1.2.1.2 *Emigrants*

Any new share certificates based on emigrants' shares controlled in terms of the Exchange Control Regulations will be forwarded to the authorised dealer in foreign exchange controlling their blocked assets. The election by emigrants for the above purpose must be made through the authorised dealer in foreign exchange controlling their blocked assets. Such share certificates will be endorsed "non-resident".

9.1.2.2 **In the case of dematerialised shareholders:**

All aspects relating to the Exchange Control Regulations will be managed by their CSDP or broker, as follows:

9.1.2.2.1 *Non-residents*

Ordinary shares issued will be credited to their CSDP or broker accounts and a "non-resident" annotation will appear in the CSDP or broker register.

Dividend payments will be credited directly to the bank accounts nominated for them by their CSDP or broker.

9.1.2.2.2 *Emigrants*

New Rockcastle shares issued, based on ordinary shares controlled in terms of the Exchange Control Regulations, will be credited to the emigrant blocked share accounts at the CSDP or broker controlling their blocked assets and a "non-resident" annotation will appear in the CSDP or broker register.
