---

*NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION, DIRECTLY OR INDIRECTLY, IN OR INTO THE UNITED STATES, CANADA, JAPAN OR ANY JURISDICTION IN WHICH IT WOULD BE UNLAWFUL TO DO SO*

NEPI is pleased to announce that it has closed its book build announced earlier today, 13 July 2016. In light of strong demand, the amount of capital to be raised was increased to ZAR2.5 billion (approximately €156 million). At this level, the book was significantly oversubscribed. The new NEPI shares to be issued pursuant to the book build process conducted on the JSE have been priced at ZAR155 per share, a 3.7% discount to the previous closing price as at 12 July 2016.

The equity raise was completed as part of a vendor consideration placing (as defined under paragraph 5.62 of the JSE Listings Requirements) and where required, under the Company's general authority to issue shares for cash approved by NEPI shareholders at the annual general meeting of the Company held on Thursday, 12 May 2016.

A total of 16 129 032 new NEPI shares are expected to be issued and list on 18 July 2016. The new shares, when issued, will be credited as fully paid and will rank *pari passu* in all respects with the existing issued shares.

Following Admission, the total issued share capital of the Company will increase to 318 843 185 ordinary shares with voting rights. Therefore, the total number of voting rights in NEPI will be 318 843 185 with effect from 18 July 2016, which may be used by shareholders as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, NEPI under the UK Financial Conduct Authority's Disclosure and Transparency Rules.

Macquarie Capital South Africa and Java Capital acted as joint bookrunners and joint lead managers.

The equity raising is not an offer to the public as contemplated under the South African Companies Act, No.71 of 2008 as amended ("Companies Act"), nor an offer of securities in any other jurisdiction. Potential investors are only permitted to apply for shares with a minimum total acquisition cost, per single addressee acting as principal, of greater than or equal to ZAR1,000,000, unless the potential investor is a person, acting as principal, whose ordinary business, or part of whose ordinary business, is to deal in securities, whether as principal or agent (in reliance on Section 96(1)(a)(i) and 96(1)(b) of the Companies Act) or such applicant falls within one of the other specified categories of persons listed in section 96(1) of the Companies Act.
