CIRCULAR TO NEPI SHAREHOLDERS

1. INTRODUCTION

On 15 February 2017 it was announced that the board had approved a distribution of 21.82 Euro cents per share in respect of the second half of 2016 and that the board had resolved to offer to shareholders the election to receive a return of capital by way of an issue of new NEPI shares (of the same class as existing shares) credited as fully paid up and/or a cash dividend in respect of all or part of their shareholdings as of the record date. Accordingly, a cash dividend will be paid to shareholders unless shareholders elect to receive a return of capital by way of an issue of new NEPI shares credited as fully paid up. NEPI shareholders on the record date who elect to receive the return of capital instead of the cash dividend, must ensure that their election forms are received by the transfer secretaries in accordance with the salient dates and times mentioned in this circular.

The issue of fully-paid shares will be based on a ratio between distribution declared and the reference price. The reference price will be calculated using a maximum 7% discount to the five-day volume weighted average traded price, less declared distribution, of NEPI shares on the JSE, to be announced on or before Monday, 20 March 2017. For NEPI shares on the UK register and shareholders registered in Romania, the reference price will be converted to Euro at the Rand exchange rate.

2. CASH DIVIDEND

2.1 Shareholders on the SA share register

2.1.1 South African resident and non-resident shareholders who hold NEPI shares on the UK share register or such shareholders registered in Romania and who elect to receive the cash dividend will receive the cash dividend in Euro. South African resident shareholders who hold shares on the SA share register will receive the cash dividend in Rand. Non-resident shareholders who hold shares on the SA share register have the option to receive the cash dividend in Rand for the credit of their non-resident Rand account or to receive the said dividend in foreign currency, on the basis that the foreign currency is transferred to South Africa and converted to Rand at the prevailing spot rate on the date of settlement, whereafter the Rand amount will then be transferred to the non-resident's non-resident Rand account. Thereafter the non-resident may utilise the Rand in South Africa or transfer the funds to a nominated bank account abroad in the foreign currency of their choice.

2.1.2 Shareholders not electing to receive the return of capital will, without any action on their part, be deemed to have elected to receive the cash dividend.

2.1.3 The cash dividend will be paid out of the company's distributable profits.

2.2 Shareholders on the UK share register

2.2.1 Shareholders not electing to receive the return of capital will, without any action on their part, be deemed to have elected to receive the cash dividend.

2.2.2 The cash dividend will be paid out of the company's distributable profits.

2.3 Shareholders registered in Romania

2.3.1 Shareholders not electing to receive the return of capital will, without any action on their part, be deemed to have elected to receive the cash dividend.

2.3.2 The cash dividend will be paid out of the company's distributable profits.

2.4 Other information

2.4.1 Value of dividends

If no shareholders were to elect to receive the return of capital the value of the dividends will amount to €70 148 289.71.

2.4.2 Maximum number of NEPI shares and share capital in case all shareholders elect to receive the return of capital

The maximum number of shares to be issued if all shareholders elect to receive the return of capital will be announced on SENS on 20 March 2017, together with the return of capital ratio.

3. THE RETURN OF CAPITAL

3.1 Terms of the return of capital

3.1.1 The return of capital will take place in accordance with article 13 of the company's articles of association, as set out below.

3.1.2 Should a shareholder validly elect to receive the return of capital, such shareholder will (subject to 3.1.4 below) become entitled to a number of new NEPI shares, which will be determined by such shareholder's shareholding in NEPI as at the record date in terms of the return of capital ratio. The new NEPI shares to be issued pursuant to the return of capital are funded by way of a reduction of part of the company's share premium account (which is a reduction of capital).

3.1.3 The election may be made by shareholders in respect of all or part of their shareholdings as of the record date. Nominee shareholders are permitted to make elections on part of their shareholding.

3.1.4 NEPI reserves the right to reduce the number of new NEPI shares issued to an electing shareholder in respect of the return of capital if the issue of such shareholder's full allocation of new NEPI shares would result in that shareholder (individually or together with any shareholders deemed to be acting in concert with such shareholder) having an interest in NEPI shares that would ordinarily require the shareholder (or group of shareholders) to make a mandatory takeover offer pursuant to Article 203 of the Romanian Capital Market Law no. 297/2004. In such circumstances, the shareholder will receive the balance of their entitlement as a cash dividend on the basis of 21.82 Euro cents per share.

3.2 Fractions

The allocation of new NEPI shares will be such that shareholders who elect to receive the return of capital will not be allocated a fraction of a new NEPI share and as such any entitlement to receive a fraction of a new NEPI share which:

3.2.1 is less than one-half of a new NEPI share, will be rounded down to the nearest whole number; and

3.2.2 is equal to or greater than one-half of a new NEPI share but less than a whole new NEPI share, will be rounded up to the nearest whole number.

4. RATIONALE FOR THE RETURN OF CAPITAL

The rationale for the return of capital is to afford shareholders the opportunity to increase their shareholding in NEPI and to retain flexibility with regard to the company's cash resources.

5. SHARE CAPITAL

The share capital of the company as at the last practicable date is as follows:

	'000 EUR
Share capital	
<i>Authorised</i>	
600 000 000 ordinary shares of €0.01 each	6 000
<i>Issued share capital</i>	
328 335 519 ordinary shares of €0.01 each	3 283
<i>Share premium</i>	1 440 889
Total	1 444 172

6. TAX IMPLICATIONS

6.1 SA resident shareholders

- 6.1.1 The receipt of the cash dividend or election to receive the return of capital may have tax implications for shareholders.
- 6.1.2 For those South African resident shareholders receiving the cash dividend, such amount will be regarded as a foreign dividend and may be subject to South African dividends withholding tax at a rate of 20%, unless an exemption as set out in the South African tax legislation applies.
- 6.1.3 The receipt of new NEPI shares by South African resident shareholders should not be classified as a dividend or a foreign dividend for South African tax purposes and accordingly, South African dividends withholding tax should not be levied on the new NEPI shares. However, the legislation in this regard is complex and its implementation is uncertain. Shareholders should therefore seek independent professional tax advice.
- 6.1.4 NEPI shareholders are advised to consult their professional advisors regarding the tax consequences of the cash dividend and the return of capital or should they be in any doubt as to the appropriate action to take.
- 6.1.5 In terms of the JSE Listings Requirements regarding dividends withholding tax in South Africa, NEPI shareholders are advised that there is no withholding tax payable in the Isle of Man.

6.2 Shareholders residing outside South Africa

The receipt of the cash dividend or election to receive the return of capital may have tax implications for shareholders who are resident in the United Kingdom, Romania or other countries and such shareholders are advised to obtain appropriate advice from their professional advisors in this regard.

7. LISTING OF NEW NEPI SHARES

Application will be made to the JSE and the BVB to list the new NEPI shares issued in terms of the return of capital with effect from the commencement of trade on Monday, 10 April 2017.

8. SOUTH AFRICAN LAW, ROMANIAN LAW, UK LAW AND ISLE OF MAN LAW

All transactions arising from the provisions of this circular and the election form shall be governed by and be subject to the laws of South Africa, Romania, the United Kingdom and the Isle of Man, and in the event of any conflict, such conflict will be resolved in accordance with recognised and established principles of conflict of laws.

9. EXCHANGE CONTROL REGULATIONS (FOR SHAREHOLDERS ON THE SA SHARE REGISTER)

- 9.1 The following is intended only as a guide and is therefore not a comprehensive statement of the Exchange Control Regulations applicable to shareholders on the SA share register.
- 9.2 NEPI shareholders who are in any doubt as to the appropriate course of action to take should consult their professional advisors.
- 9.3 New NEPI shares issued in terms of the return of capital are not freely transferable from South Africa and must be dealt with in the terms of the Exchange Control Regulations.
- 9.4 Shareholders who hold shares on the SA share register can only receive shares on that register.
- 9.5 South African resident and non-resident shareholders who hold NEPI shares on the UK register or the BVB and who elect to receive the cash dividend have the option to receive the cash dividend in Euro. South African resident shareholders who hold shares on the SA share register will receive the cash dividend in Rand. Non-resident shareholders who hold shares on the SA share register have the option to receive the cash dividend in Rand for the credit of their non-resident Rand account or to receive the said dividend in foreign currency, on the basis that the foreign currency is transferred to South Africa and converted to Rand at the prevailing spot rate on the date of settlement, whereafter the Rand amount will then be transferred to the non-resident's non-resident Rand account. Thereafter the non-resident may utilise the Rand in South Africa or transfer the funds to a nominated bank account abroad in the foreign currency of their choice.

9.6 Shareholders who elect to receive:

9.6.1 *The cash dividend*

Non-residents and emigrants

As the cash dividend will be paid out of the company's distributable profits, such dividends are freely transferable from South Africa.

The election of the cash dividend by emigrants must be made through an authorised dealer in foreign exchange controlling the shareholder's emigrant blocked assets.

9.6.2 *New NEPI shares*

9.6.2.1 *In the case of certificated shareholders:*

9.6.2.1.1 *Non-residents*

Share certificates will be issued with a "non-resident" endorsement and will be sent to the registered address of the shareholder concerned or in accordance with the instructions given to the transfer secretaries.

9.6.2.1.2 *Emigrants*

Any new share certificates based on emigrants' shares controlled in terms of the Exchange Control Regulations will be forwarded to the Authorised Dealer in foreign exchange controlling their blocked assets. The election by emigrants for the above purpose must be made through the Authorised Dealer in foreign exchange controlling their blocked assets. Such share certificates will be endorsed "Non-Resident".

9.6.2.2 *In the case of dematerialised shareholders:*

All aspects relating to the Exchange Control Regulations will be managed by their CSDP or broker, as follows:

9.6.2.2.1 *Non-residents*

Ordinary shares issued will be credited to their CSDP or broker accounts and a "non-resident" annotation will appear in the CSDP or broker register.

Dividend payments will be credited directly to the bank accounts nominated for them by their CSDP or broker.

9.6.2.2.2 *Emigrants*

New NEPI shares issued, based on ordinary shares controlled in terms of the Exchange Control Regulations, will be credited to the emigrant blocked share accounts at the CSDP or broker controlling their blocked assets and a "non-resident" annotation will appear in the CSDP or broker register.
