NEPI ROCKCASTLE TO HOST A CAPITAL MARKETS DAY ON 21 OCTOBER 2026

NEPI Rockcastle will host a Capital Markets Day on 21 October 2026 in Warsaw, Poland. The event will provide stakeholders with the opportunity to engage directly with the Company's executive Board members, regional management teams and selected strategic partners. It also forms part of NEPI Rockcastle's broader commitment to maintaining transparent communication and fostering open dialogue with its global investor base.

Topics that will be covered during the event will span the macroeconomic and consumer landscape shaping Central and Eastern European retail, the Company's active development and investment pipeline, progress on its renewable energy programme across the portfolio, and the strategic vision underpinning the next phase of growth.

The Capital Markets Day will be conducted in a hybrid format, with participants invited to attend in person in Warsaw or to follow via live webcast or conference call.

"Central and Eastern Europe continues to demonstrate strong economic fundamentals for growth, and the upcoming Capital Markets Day is an opportunity for our investors and partners to explore how NEPI Rockcastle is leveraging this potential to build long-term value for its shareholders. We look forward to sharing how our teams on the ground are executing the strategy — from growing our retail footprint and advancing the strong development pipeline, to accelerating the transition to renewable energy across the portfolio. We welcome all investors and interested parties to join the conversation, in Warsaw or online." – Marek Noetzel, Chief Executive Officer of NEPI Rockcastle.

Invitations will be sent to stakeholders who have registered on the Company's database to receive notifications. The webcast registration link and dial-in details will be made available on the home page of NEPI Rockcastle's website in advance of the event.
